DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 9, 2, 3, 5, 14, 11, 12, and 21 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claims 9 and 14, "the sealing cuff" lacks antecedent basis. (should be sealing body??)

Claim Rejections - 35 USC § 102

3. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

4. Claims 8, and 18-20 are rejected under 35 U.S.C. 102(b) as being anticipated by Roux (1,235,926).

Roux discloses a sealing device (see Fig. 4) comprising a conducting element 8 that can be inserted off-center in a hole 7 of a housing wall 1 (or 24) (in that the dimensions of the hole and the O.D. of the element 8 permit radial play). The device has a sealing body 25/20 forming an axial seal (at contact with 8) and a radial seal (against surface of 4). Or, the radial seal can be formed along the threads of 24. The element 8 has a recess (adjacent the flange) to receive the sealing body. As seen in the Figure, there is clearance to allow radial movement of the body

within the recess. A sealing ring 19 with an internal thread fixes the body. The inner diameter of body 25 is considered a limiting stop.

Allowable Subject Matter

5. Claims 9 and 14 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

6. Claims 2, 3, 5, 11, 12, and 21 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Response to Arguments

7. Applicant's arguments filed 9-26-06 have been fully considered but they are not persuasive.
